Amy,

I believe Maxine is traveling this morning and will likely be off email until sometime this afternoon. I suggest we plan on a late afternoon call (maybe 3 or 4) so she might be able to join in. If it doesn't work out, we can go ahead and talk and I can fill her in the next time I talk to her. Will that work?

Regards,  
Ken

Amy,

When we last spoke, you indicated that EPA was in the process of sending a letter to DNR regarding the Labadie SO2 designation and that you would send us a copy. I realize you have a lot going on, but wanted to check to see whether the letter was out and, if so, whether we could see a copy together with any attachments.

Thanks!

Maxine
